Despite the weather we had yet another record turnout at Fox Hills and the course didn't disappoint throwing up many challenges. A big thank you to Russell Godwin and his Colwyn Bay team, who erected the course in the pouring rain, marshalled in the rain and even collected the stakes in during the bad weather. Without the volunteers and marshals we would not have a league so please remember to thank them.

Despite the tough conditions there were two outstanding runs on the day. Eden O'Dea, who has just been selected to make her Great Britain debut in the World Mountain Championships absolutely dominated the Women's race despite only being 16 years old and won by nearly a minute from Lucy Williamson, Bangor Uni. So good was Eden's run that only four Under 17 Men finished ahead of her with Matthew Antony of Deeside looking particularly strong. Eryri Harriers dominated the Women's Team race and are already over 100 points clear after only two races. They are even more dominant in the Masters category where they have secured a perfect 6 points in both races!!

If Eden O'Dea's run was good then Joe Steward, Bangor University's run in the Men's race was nothing short of scintillating as he scorched to a 2-10 win over his rivals. Like Eden, Joe is also off to the World Mountain Championships to represent Great Britain and it is fantastic that the league has such talented runners competing in it. Shrewsbury bounced back in the team race as they fight to retain their title and had a comfortable win on the day and head Wrexham by 8 points. It's good to see Shropshire Shufflers heading Division two.

Unfortunately despite our requests for runners to park at Eirias Park, a number of athletes park in the estate next to the course. Please can athletes park where we ask them. Getting suitable venues is not easy and we have to work closely with residents and partners. If we don't look after them we may end up without venues, so please can we use the car parks recommended. Thank You.

**The next race is a new venue in DOLGELLAU. The course is near the Leisure Centre in Dolgellau but parking at the Leisure Centre is very limited so parking will be in the main Dolgellau Town Centre Car Park(POST CODE: LL40 1UU). It is a short walk to the Leisure Centre, where changing rooms and refreshments will be available and the course is a little further up the road. The course is flat but does include two water splashes on each of the main laps!!**
